

## **Sanford, Baumeister & Frazier, PLLC Welcomes Altaras Clients**

SB&F acquired the accounting practice of Kent Altaras, CPA in mid-January, welcoming clients and Karen Abernathy, Altaras' Senior Manager, in the process.

Easing into retirement, Mr. Altaras is working on-site at SB&F one day each week to help facilitate the transfer of his clients to the SB&F team. George Thompson of Altaras & Thompson is continuing his practice.

Kent said the milestone is bittersweet since he is close to his clients, but he feels he could not have selected a more qualified and compassionate successor to serve them.

The partners are honored that Kent has entrusted them with his clients and look forward to continuing his tradition.
